UI/UX Designer

Tillster Inc, Los Angeles, CA | DEC 2014 - PRESENT

Develop UI layouts including controls, labels and graphical elements for software on both mobile, desktop, and kiosk platforms. Work closely with product management and analytics in UX ideation and innovation.

UI/UX Designer

NBCUniversal, Universal City, CA | OCT 2014 - NOV 2014

My responsibilities involved user flow, wireframes with annotations and specifications, take existing design style and create new design styles with final deliverables for mobile apps.

UI Designer

Shazam Entertainment, Los Angeles, CA | MAY 2014 - OCT 2014

Responsible for designing presentations, mobile advertising campaigns, mobile interfaces and all visual designs. Work closely to the marketing executives and sales team.

UI/UX Designer

Monger, Toluca Lake, CA | MAY 2013 - APR 2014

Responsible for designing all product flows, visual designs, wireframes, prototypes, user interfaces, info-graphics and application email communications.

Web Designer

My Blanke Inc, Los Angeles, CA | SEP 2009 - MAY 2013

Designed user interfaces, mobile interfaces, branding, visual designs, and product photography.

Graphic Designer

GSL Tech Inc, El Monte, CA | JAN 2009 - SEP 2009

Designed graphics for product packaging, catalog, flyers, labels and brochures.

Graphic Designer

YoungWilliams P.C, Jackson, MS | JUL 2008 - NOV 2008

Developed and created graphics, tables, presentation and graphs for bid proposals.

OTHER NOTABLE EXPERIENCE

Freelance Illustrator

Multiple Clients | Late 2008 - Present

Graphic Design Intern

Ergon Inc, Jackson, MS | JAN 2008 - MAY 2008
